Note : Online verification can be done at "GRADE HISTORY" on <https://www.marwadiuniversity.ac.in/>

Based on the performance, each student is awarded a final letter grade at the end of the each semester against each Course. The letter grades and the corresponding grade points are as follows:

Letter Grade	Grade Points
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above Average)	6
C (Average)	5
D (Pass)	4
F (FAIL)	0
Ab (Absent)	0

For **Non-credit/Audit courses** "S" (Satisfactory) or "U" (Unsatisfactory) shall be indicated instead of the letter grade, and this will not be counted for the computation of SGPA/CGPA.

A student is considered to have successfully completed a course and earned the credits if he/she secured a letter grade other than **F or Ab** in that course. *A letter grade F or Ab in any course implies a failure in that course.*

• **Computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)**

(i) The SGPA will be calculated according to the formula

$$SGPA = \frac{\sum_1^n C_i \times (GP)_i}{\sum_1^n C_i}$$

Where C_i = credit for the i^{th} course, $(GP)_i$ = the grade point obtained for the i^{th} course, n = total number of courses and the sum is over all the courses taken in that semester, including those in which the student has secured F grades.

(ii) For the cumulative grade point average (CGPA) following formula is used:

$$CGPA = \frac{\sum_1^r S_i \times (SGPA)_i}{\sum_1^r S_i}$$

where S_i = Sum of credits in i^{th} semester, $(SGPA)_i$ = Semester Grade Point Average earned in i^{th} semester and r = number of semesters and the sum is over all the semesters under consideration.

(iii) The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

• **Conversion of grades into percentages and Equivalent Class/Distinction**

Formula for conversion of equivalent percentage of CGPA as follows:

$$\text{Percentage marks} = (CGPA - 0.5) \times 10$$

Category	CGPA	Class / Distinction
Students who successfully complete the program	Below 5.5	Pass Class
	5.5 and above	Second Class
	6.5 and above	First Class
	7.1 and above	First Class with Distinction

For all Courses, where duration of the course is more than 2 years, the degree shall be awarded to the student on the basis of CGPA (Cumulative Grade Point Average) of last four semester's performance in the exams.
